

“

Credo che anche il disordine si possa organizzare con stile!

Con il mio compagno abbiamo appena comprato casa. Per il nostro piccolo bagno ho scelto le piantane in alluminio anticorrosione Smilzo ed i ganci parete coordinati, ed ho previsto ogni dettaglio per avere uno spazio elegante ed ordinato. Ma allora mi chiedo, perché diavolo continui a lasciarmi gli asciugamani in giro per la casa?!?!?

I've just bought a house with my partner. For our small bathroom I choose the aluminum anticorrosion Smilzo and the coordinated wall hooks and I planned every detail to have an elegant and tidy place. But then I wonder, why the hell do you keep leaving towels around the house?!?!?

Tutte le referenze della collezione Bright sono disponibili nelle varianti Clear trasparente, Fumè trasparente, Bianco e Nero bright. Tutti i dettagli in legno sono realizzati in Teak burma di recupero. Gli accessori da parete sono corredati da adesivo ad alta tenuta 3M e di kit per l'incollaggio (istruzioni corredate) per un comodo e sicuro fissaggio, mentre ruote o gommini antisdrucciolo accompagnano le referenze da appoggio. Il plexiglass di prima qualità garantisce lucentezza non ingiallisce e non si presta a muffe, macchie o craquelé.

All the references of the Bright collection are available in clear transparent, smoked transparent, white and black bright variants. All the wooden details are made of reclaimed Burma teak. Wall accessories are equipped with 3M high-strength adhesive and a bonding kit for a comfortable and safe fixing, while wheels or non-slip rubber pads are included in the countertop references. The first quality plexiglass guarantees brightness, doesn't turn yellow, and doesn't lend itself to mold or stains.
