BAGLIORI DI LUCI che si riflettono ed irradiano le pareti vestendole di **NUOVE sensazioni sempre diverse** fra loro.

Le superfici leggermente strutturate generano effetti inconsueti e mai statici. Una **RICCA GAMMA CROMATICA**, sapientemente coordinata con i relativi pavimenti e le esagone, offrono uno spunto ulteriore per una **dinamica proposta d'arredo**.

FLASHES OF LIGHTS which reflect and radiate the walls, dressing them up with new feelings always different from each other.

The slightly structured surfaces create unusual and never static effects. A **RICH CHROMATIC RANGE**, wisely coordinated with the related floors and hexagons, to offer a further hint for a dynamic furnishing proposal.
