L'estetica del cemento appena
asciutto, levigato dal dolce
soffiare del vento.

®

Superfici neutre che vibrano alla luce e
conferiscono un'anima essenziale
ma chic ad ogni ambiente.

~

The appeal of the freshly dried
cement, smoothed by the gentle
blowing of the wind.
Neutral surfaces that vibrate with light
and give a simple yet chic appeal
to every space.

L'esthétique du béton que viens
de sécher, lissé par le doux
souffle du vent.
Des surfaces neutres qui vibrent à la
lumière et donnent une âme simple
mais chic à n'importe quel pièce
dans la maison.

Die Ästhetik von frisch
getrocknetem Beton, geglättet
vom sanften Windhauch.
Neutrale Oberflächen, die mit Licht
vibrieren und jedem Raum einen
schlichten und doch schicken
Anklang verleihen.

La estética del hormigón recién
secado, suavizado por el suave
soplo del viento.
Superficies neutras que vibran con la
luz y dan un alma esencial pero
chic a cualquier ambiente.

Эстетика только что высохшего
цемента, отшлифованная легким
дуновением ветра.
Нейтральные поверхности, которые
вибрируют в свете и придают
эссенциальную, но шикарную душу
каждому помещению.
